Our mission is to provide the best commercial moving and installation services in the greater Boston area. Serving companies of all sizes, from small businesses to Fortune 500, we specialize in:

- Move management
- Packing and unpacking
- Certified computer disconnect/reconnect
- Crate rentals
- Warehousing and storage
- Recycling
- Distribution services
- Furniture installation and liquidation

Past Performance

We are skilled at coordinating the most complex projects for:

- Federal and State agencies
- Hotel and Hospitality
- Higher Education
- Commercial Moves
- Biosciences and Healthcare
- Office Relocation
- Biotech Industry

Differentiators

American Moving & Installation Inc. is the only certified 100% woman-owned, union moving and installation company in the state of Massachusetts. In an industry dominated by multi-generation, male led competitors, American has introduced innovative approaches to commercial moving and installation operations, including:

- Hand-selecting employees
- Developing comprehensive training programs
- Introducing leading-edge business processes
- Establishing a customer-driven culture
